**Re: In re Sears Holdings Corporation, et al. (Case No. 19-25638 (RDD))  
Reclamation Demand of Ainsworth Pet Nutrition LLC**

Dear Sirs and Madam:

This firm represents Ainsworth Pet Nutrition LLC ("APN") with respect to amounts due and owing from one or more of the above-referenced debtors (the "Debtors") to APN.

During the forty-five days prior to the filing of the Debtors' chapter 11 petitions (the "Reclamation Period"), APN sold, and the Debtors received from APN, in the ordinary course of the parties' respective businesses, certain goods, including the goods relating to the invoices identified on the ledger attached hereto as **Exhibit A**. Copies of the respective invoices are attached hereto as **Exhibit B**. The value of the outstanding invoices related to goods received by the Debtors during the Reclamation Period is \$278,480.34.

Pursuant to 11 U.S.C. § 546(c)(1) and applicable non-bankruptcy law, APN hereby demands reclamation of the goods received by the Debtors from APN during the Reclamation Period, as identified herein. Additional documentation in support of this reclamation demand will be made available upon request.

Further, APN demands an accounting and inventory from the Debtors of all the goods subject to reclamation by APN and that all such goods be segregated from other goods in the Debtors' possession. Please forward the accounting and inventory to my attention.

APN reserves the right to further amend or supplement its reclamation demand or to make additional demands or claims at law or in equity, including, but not limited to, an administrative expense claim under 11 U.S.C. § 503(b)(9), or any other provision of the Bankruptcy Code.

Very truly yours,

  
Stephen B. Gerald
